PROFILE SUMMARY

Aspiring Frontend Developer with hands-on experience building responsive, accessible, and high-performing web applications using **HTML, CSS, JavaScript, TypeScript, React, and Next.js**.

Creative thinker with a background in **Fine Applied Art** and a passion for crafting intuitive user interfaces. Strong team collaborator experienced in Agile environments, debugging, and API integration.

Eager to grow within a professional software engineering team and contribute to **innovative digital solutions** at BBD.

CORE SKILLS

Frontend: HTML5, CSS3, JavaScript (ES6+), TypeScript, React, Vue.js, Next.js, Tailwind CSS, Bootstrap

Web Functionality: Responsive Design, Accessibility (WCAG), API Integration, Client-Side Routing, Cross-Browser Compatibility

Tools & Workflow: Git, GitHub, Redux Toolkit, Swiper.js, npm, yarn, RESTful APIs, Node.js (basic)

Soft Skills: Problem Solving, Debugging, Agile Development, Collaboration, Continuous Learning

PROJECT EXPERIENCE

Piece-Job – Freelance Service Connection Platform

Next.js, TypeScript, Tailwind CSS, Firebase

- Built a responsive web application that connects freelancers with clients seeking short-term services.
- Implemented real-time job listings, authentication, and clean user interfaces for improved accessibility.
- Designed and optimized for mobile-first performance.

 [Live Demo](#)

ImageGen – AI Image Generation App

Next.js, TypeScript, Tailwind CSS, AI API

- Developed an AI-powered web app that generates images from user text prompts.
- Designed an intuitive interface and optimized API performance for smooth user interaction.

 [Live Demo](#)

Costume House Gallery App – Product Catalog

Next.js, TypeScript, Redux Toolkit, Tailwind CSS

- Built a responsive e-commerce product catalog with sorting, filtering, and pagination features.
- Implemented global state management and infinite scrolling for seamless navigation.

 [Live Demo](#)

Little Lemon Restaurant App – Food Ordering Platform

React, CSS3, JavaScript, API Integration

- Created a modern restaurant web app with menu browsing, table reservations, and responsive layouts.
