PROFESSIONAL SUMMARY

Highly motivated and detail-oriented **Frontend Developer** with expertise in **HTML, CSS, JavaScript, TypeScript, and modern frameworks such as React and Vue.js**. Skilled in building responsive, accessible, and user-friendly interfaces following best practices in UI/UX design. Proven ability to collaborate with cross-functional teams, implement dynamic features, and optimize web performance. Passionate about learning emerging technologies and contributing to innovative projects.

CORE SKILLS

- Frontend Development:** HTML5, CSS3, JavaScript (ES6+), TypeScript, React, Vue.js, Next.js, Tailwind CSS, Bootstrap
- Web Functionality:** Responsive Design, Cross-Browser Compatibility, Accessibility (WCAG), API Integration, Client-Side Routing
- Tools & Technologies:** Git/GitHub, Swiper.js, Node.js (basic), RESTful APIs, npm/yarn
- Other Skills:** Problem-Solving, Agile Development, Debugging, Performance Optimization

PROFESSIONAL EXPERIENCE

Frontend Developer (Volunteer Program)

DPIT, Pretoria | Mar 2024 – Dec 2024

- Implemented **Swiper.js** to create interactive and responsive sliders, improving user engagement and visual appeal.
- Developed and optimized **routing capabilities** to enable smooth navigation between multiple pages within the application.
- Collaborated with designers and backend developers to integrate UI components with backend APIs.
- Contributed to the successful deployment of live, user-focused web applications within project deadlines.

EDUCATION & CERTIFICATIONS

- Meta Front-End Developer Professional Certificate** — Coursera (Sep 2024 – Dec 2024)
- Algorithms and Data Structures Certificate** — FreeCodeCamp (Sep 2024 – Dec 2024)
- Full Stack Development Certificate** — FNB App Academy (Jul 2025)

PROJECTS

Little Lemon Food Restaurant App (Responsive Restaurant Web App)

- Developed a modern, responsive restaurant application with menu browsing, reservation booking, and customer-friendly navigation.
- Tech Stack: **React, CSS3, JavaScript, API Integration**
